### Description

**SPECIAL LAUNCH SALE - 80% OFF. BUY NOW AND GET FREE UPGRADES FOREVER!**

Don't have an iPad yet? Don't let it stop you! Buy now! The discounted launch price may expire any minute now!

ArtStudio is a professional drawing / painting application. It uses advanced mathematics to attain the highest level of quality, at the same time offering incredible performance achieved through numerous code optimizations. It still remains a fantastic tool for beginners - it contains drawing lessons showing step-by-step instruction on drawing various types of images.
